

Congratulations to the 2013 NorthCoast 99 Winners!

September 3, 2013

Congratulations to the **2013 NorthCoast 99 Winners!**

These organizations excel at creating workplaces that attract and retain top performers in Northeast Ohio. They have established many outstanding, creative, and innovative workplace practices to find and keep great people. They are truly leaders in driving and implementing creative and positive workplace change in our region.

Here are a few brief highlights about our winners:

- Winners span over 20 industries and include many manufacturers, health and human service organizations, technology companies, and professional services firms.
- Over half of winners employ fewer than 200 employees in Northeast Ohio. Many winners are small and mid-sized businesses in our region!
- Five (5) winners are new, and we have 11 winners that are being recognized for winning the NorthCoast 99 award 10 years this year.
- Winners hired a total of 26,885 employees in Northeast Ohio and 2,639 interns. Clearly, winners are positively impacting the regional economy!
